Step into **Body & Bloom**, a boutique wellness festival set against the breathtaking backdrop of **Lynd Fruit Farm**, August 22–24, from 9AM to 6PM (last ticket sold at 3PM). Balancing beauty, wellness, and a breath of fresh air, this thoughtfully-designed event blends **soul-nourishing experiences** with the natural charm of orchard life. Enjoy clean, curated foods, live music, and gentle animals—including Leote, the beloved horse from the movie *Adeline*, pygmy goats and more. Plop down for a mind-body fitness class or glean a health-changing nugget from a wellness pro - every detail is here to help you unwind and reconnect. Guest facilitators include professionals from SOMA Fitness Lab, Martha's Bath & Body, and SpringHouse Health. Each guest will make and take a body product made with Martha's well-sourced ingredients with fragrances you choose.

Body & Bloom features botanical fun too! Ride asking on the wagon ride to pick an apple, and pick a lovely sunflower bouquet in an accompanying vase. Take home some high-end swag by shopping exclusive artisan vendors, and stroll down the inspired ArtWalk.

Body & Bloom is a charity event supporting the **Nightbirde Foundation**! A portion of proceeds will benefit the **Nightbirde Foundation**, honoring the legacy of local AGT star, Jane Marczewski, with assistance and tender care for those battling breast cancer. Lynd Fruit Farm is grateful for the opportunity to collaborate with this integrity-full organization to help women walking this walk.

All activities are covered by the entrance fee of \$100 (boutique shooting not included). Nursing little ones can come with Mommy. Tickets can be transferred but no refunds. The event will be held rain or shine. Get tickets here:
